A Message from Christian W. Chandler:

I hope that you have enjoyed the sample episode in this **FREE COMIC**, of the Sonichu Comic Book. I take great pride behind my Electric-Hedgehog Pokemon, Sonichu, and all the other characters in the City of Cwcville.

I want Sonichu to be more than just on paper; I want him in his own video game, cartoon show, and other fine merchandise.

Although, I have already made some fun Sonichu items of my own, but I feel the public should be able to share in the Zappin' Fun!

If you would like to see Sonichu as a real video game too, or catch him in a Pokemon title, please send your request to Nintendo of America, inc., or Nintendo Power magazine; please raise the hype on Sonichu so that I will be able to legally talk to the people of Nintendo of America, inc., and make a deal with them.

Thank you for reading the **FREE SAMPLE** of the Sonichu Comic Book. And as Sonichu says,
Let's Zap to the Extreme!
